

WORLD DODGEBALL

Dodgeball is a truly global sport with strong cultural references. The sport has concrete ambitions to be an Olympic sport by 2032 but retains core objectives like community engagement and increasing grassroots participation.

About The Federation

- Official World governing body of Dodgeball
- 72 national federations, effecting 70 million people in 6 continents
- Aiming to grow sustained participation at grass roots & high performance levels
- Ambition to enter the 2032 Olympics and forecasted to have 90 million participants across 90 nations by 2028
